| Material | PA |
| Diameter | 17 mm |
| Height | 3 cm |

Deviclip™ Twist is the flexible and sturdy aid for easy installation for all sizes of Deviflex™ heating cables on reinforcement mesh. No tools are required when working with Deviclip™ Twist.

Deviclip™ Twist is easy to use and ideal for installation work as the product handles all Deviflex™ cables gently but firmly. Deviclip™ Twist halves your working time in relation to traditional cable ties.

Deviclip™ Twist must be installed every 20-30 cm along the heating cable. It is supplied in bags of 1000 pcs.
